

WOUNDS HEALED OUT LOUD
ORGANIZATION, INCORPORATED

Greetings,

With immense pleasure, we welcome you to Wounds Healed Out Loud! Today, we are super excited to explore a partnership opportunity with you. Let us ask ourselves: How can we greatly impact diverse populations and underserved communities by joining forces?

We envision an ideal partnership will be able to produce the following:

- Establish strong community rapport with local government officials across various cities and states.
- Engage with academic and religious institutions, hospitals, residential treatment centers, jails, and prisons to create referral pipelines.
- Foster healthy, mentoring, and coaching relationships through various forms of counseling (relational, career, bereavement, etc.)

This presentation aims to provide you with a brief overview of our organization. The leadership of Wounds Healed Out Loud Organization (WHOL) joins me in welcoming you. We look forward to getting to know you better as you become more acquainted with us.

Warm Regards,

Orlando Vick
